This charming home is in the heart of Highland, just a short walk from the downtown square, shops, and restaurants. It has one bedroom on the main floor and two bedrooms upstairs, along with two bathrooms, providing plenty of space for everyone. You can enjoy entertaining on the deck or around the fire pit in the backyard. The big detached two-car garage offers plenty of storage for outdoor gear, and the basement is perfect for organizing seasonal items. The home has a new roof and gutters installed in December 2024, and a radon mitigation system was installed in November 2024. This property combines comfort and convenience in a great location!
